CELEBRATE YOUR LOVE

# *in Paradise*

---

Imagine a chorus of gentle waves and sighing palms accompanying you as you take your first steps toward forever. Can you feel the sun at your back? Can you smell the salt in the air? Can you sense that this day – your day – will be truly unforgettable? When you celebrate at Margaritaville Beach House, this is only the beginning. You'll find untold treasures in the beauty and bounty of our beachfront home.

A tropical beach scene with palm trees and a wedding ceremony. The sky is bright blue with wispy white clouds. In the foreground, two tall palm trees frame the view. A wooden walkway leads to a sandy area where a wedding ceremony is taking place. A bride in a white dress and a groom in a white shirt and light-colored pants are standing together. Several guests are seated on white chairs, watching the ceremony. The ocean is visible in the background, with a clear blue horizon line.

## GET SWEEP UP IN AN OCEAN-VIEW “I DO.”

Bask in a golden-hued ceremony along Smathers Beach, just steps away from the hotel. Invite your guests to linger during a lush garden reception. Our charming outdoor garden and Tiki Hut are perfectly appointed to host your day in true Key West style. Think of our dedicated events team as your compass: guiding you through one of our four pristine packages until you discover the perfect fit.
